THE CORE OF PINTUPI GRAMMAR

Data for this grammar was collected at Papunya and surrounding outstations over a period of eight years 1966 - 1974. The material was compiled and analysed by K. C. & L. E. Hansen of the Summer Institute of Linguistics with the valuable assistance of Johnny Yangkatja Tjupurrula and Tjampu Tjapaltjarri of Papunya.

Printed and Published in Australia, by the Institute for Aboriginal Development
